Modern Languages

Faculty: Rosman-Askot, Chair; Compte, Figueroa, Gabriel-Sitheeman, Goebel, Huguet-Jerez, Landreau, Mecartty-Dunlap, Morin, Otero, Pfenninger, Rossi-Miller, San Pedro, Wright

The modern languages curriculum is designed to increase a student’s proficiency in another language by developing four skill areas: aural comprehension, speaking, reading, and writing. The knowledge of another language and culture is a cornerstone of a liberal arts education and is a key to interacting in a complex and multicultural world. The department offers beginning and intermediate language instruction in Arabic, Chinese, French, German, Hebrew, Italian, Japanese, Russian and Spanish. Classes are conducted in the target languages, and there is a language laboratory to supplement classroom instruction. Advanced courses in linguistics, literature, history, and culture are offered in French, German, Italian, and Spanish. Students may pursue a minor in these fields. In addition, we are currently expanding our offerings in Arabic, Chinese, and Japanese.

The department offers a major in Spanish and minors in French, German, Italian and Spanish.

The Spanish major provides intensive study of the literature, language, and cultures of the Spanish-speaking world. The Spanish major can be very successfully combined with a major or minor in another discipline such as business, English, history, international studies, political science, or psychology in preparation for graduate and professional studies. A minor in another foreign language is recommended.

The department offers four major tracks: Spanish/Liberal Arts, Spanish/Secondary Education, Spanish/Elementary Education, and Spanish/Early Childhood Education.

Requirements for the Spanish Major
A total of 12 courses is the minimum requirement for the Spanish major. To provide the student with a broad exposure to the various components of the discipline, the following courses are required:

- SPA 203 or 210
- SPA 211
- SPA 215
- SPA 216 or 217
- SPA 241
- SPAN 301
- SPAN 303
- SPAN 304
- SPAN 311
- SPAN 312
- SPAN 497 (Senior Seminar)

The Spanish/Secondary Education, Spanish/Elementary Education, and Spanish/Early Childhood Education majors require an additional 30 credits in professional education courses in preparation for certification.

Program Entrance, Retention, and Exit Standards
Every major program at the College has set standards for allowing students to remain in that program, to transfer within the College from one program to another, and to graduate from a program. The following are the standards for Spanish programs:

- Retention in the program is based on the following performance standards in these “critical content courses.” Minimum grades are noted in parentheses: SPA 211/Composition and Grammar Review (B–); SPA 241/Introduction to Literature in Spanish (B–); SPAN 301/Advanced Spanish Grammar (C+).

- Transfer into the program from another program within The College is based upon the following performance standards in these “foundation courses.” Minimum grades are noted in parentheses: SPA 203/Speech and Grammar Review or SPA 210/Spanish for Heritage Speakers (B–); SPA 211 Composition and Grammar Review (B–).

- Graduation requires a GPA of 2.0 in courses for the program and earning a minimum grade of C– in all Spanish courses.

Requirements for the Minor
A minor is offered in French, German, Italian, and Spanish. The minor consists of 6 courses credits, of which at least 4 must be taken at The College of New Jersey. A minimum grade of C is required in all courses taken to fulfill the minor requirements.

The following courses are required:

FRENCH: FREN 102; FREN 103; FREN 203; FREN 211 OR FREN 255; FREN 240; one course at the 300 level
Spanish Major: Teaching
Candidates for a teacher-education certificate must have a 2.75 cumulative grade point average to successfully complete their teacher education program. They also must meet the state hygiene/physiology requirement, and pass the appropriate Praxis examination before the New Jersey State Department of Education will issue the appropriate certificate. Teacher-education candidates will receive a "certificate of eligibility with advanced standing" which requires a candidate to be provisionally certified for his or her first year of teaching. After one year of successful teaching, the candidate is eligible for a permanent certificate. The teacher candidate will also have to pay a fee during his or her first year of teaching.

Transfer Students
Transfer students who have successfully completed three semesters of a language or the equivalent in any accredited college or university will receive exemption from the foreign language requirement. Students who have taken fewer than three semesters of language in college are required to take the TCNJ Language Placement Test to determine the appropriate level for the next language course.

Foreign Language Requirement
The Requirement—As part of The College of New Jersey’s general education program all degree candidates in the Schools of Art, Media, and Music; Culture and Society; and Science are required to show proficiency in a foreign language unless exempted. Satisfactory evidence of proficiency is completion of the 103 level of language study (equivalent to three semesters—nine credits of college language study). While most students opt to continue in the foreign language previously studied, they may begin study of a new foreign language.

Placement—Students who choose to begin the study of a new foreign language should enroll at the 101 level. All students who wish to continue studying a language taken previously must take the TCNJ Language Placement Test for placement at the appropriate level. The TCNJ Language Placement Test is offered in the spring during freshman basic skills testing, or by appointment throughout the academic year.

Exemption—Students may be exempted from the foreign language requirement if they show sufficient proficiency in a foreign language as certified by one of the following means:

• a score of 4 or 5 on the ETS Advanced Placement Language or Literature Examination
• a score of 650 or above on the ETS Language Achievement Test
• exemption through the TCNJ Language Placement Test

While students may be exempt from the language requirement in the Schools of Art, Media, and Music; Culture and Society; and Science, they may still be required to take additional foreign language courses by their major program. See specific department or program for details.

Students who are exempt from the Schools of Art, Media, and Music; Culture and Society; and Science language requirement are eligible to take courses at the 200 level.

If a student wishes to gain exemption in a language not taught at The College of New Jersey, the Department of Modern Languages will arrange an approved test. However, the cost of that test must be paid by the student. Bilingual students are eligible for exemption in all of the ways described above.

The Best Time to Begin Language Study—Students are urged to enroll in a foreign language during their first year and to continue their study in consecutive semesters.

Credit for 101 Language Courses—Students who have taken more than three years of one language in high school will not receive credit for 101 in that language. Typically, these students are more appropriately placed at the 102 or 103 level, and can fulfill the Foreign Language Requirement with successful completion of 103.

First-Year Suggested Course of Study
During academic year 2003-2004, The College of New Jersey is in the process of transformative curricular change. Therefore only the course of study for first-year students entering in 2003-2004 is set out below. These students should consult their advisors when planning courses for future years. Supplements to this online bulletin also will be available on an ongoing basis.
