

# Installing SPSS 14 at Home

1. Insert the SPSS 14 CD-ROM
2. The box below should appear, then Select “Yes”

- \* If this box does not appear please run setup.exe from the cd-rom
3. You should see an installation screen appear after selecting Yes. When this disappears the installation is finished.
  4. After installation, you will need to VPN into TCNJ for this software to work. To do so, open a web browser and navigate to “sslvpn.tcnj.edu” Follow the instructions on the page. Please remember to return your disk to ITS in Library room 004!

- \* For more information on TCNJ's SSL VPN please go to:
