COURSE AUDITING POLICY

Students desiring to audit courses must first obtain permission from the Office of Records and Registration. An auditor may not elect to receive credit for a course after the classes begin. Since only a limited number of auditors can be accommodated, only students presenting bona fide reasons will be granted this privilege. Students permitted to audit a course must register and pay normal tuition and fees. The instructor will be informed by the Office of Records and Registration about students in his/her class who have auditor status. It shall be the prerogative of the instructor to determine the degree of class participation that an auditor may be permitted in his/her class. **A student who audits a course will receive an "AU" grade.**

Please indicate your bona fide reasons for auditing this class:
