

# TCNJ Brick Campaign

Through a generous gift from TCNJ's Alumni Association, we have recently broken ground for a new "Alumni Grove". The Grove is conveniently located in the center of campus between to the new library and Eickhoff Hall. As one steps outside the library into the portico, the new "Alumni Grove" will be waiting fully equipped with wireless internet service and plenty of tables and chairs for students, staff, and alumni to utilize. Marked with brick piers, the area will also host a wide range of trees and shrubbery to add to the already beautiful natural landscaping of the College. Last but not least, the setting has a large concrete patio, *edged with your personalized brick*, which will accommodate tents and additional seating for future alumni gatherings and events.

This is your opportunity to memorialize a friend or a loved one, honor a professor or parent, celebrate a special achievement, and create a lasting memory of your time on campus. Purchase a personalized brick today! For more information, please contact Diana Lygas at 609-771-2185.
