## **Class of 2006-School of Science**

A total of 167 School of Science graduates were awarded baccalaureate degrees in August 2005, December 2005, and May 2006. 98 (59%) graduates responded to the survey. In an effort to increase the accuracy of our post-graduation activity data, Institutional Research provided additional graduate school attendance information secured through the Student Loan Clearinghouse, which resulted in our learning the post-graduation activities of an additional 22 (13%) graduates.

### **POST GRADUATION ACTIVITY**

#### Graduate School Attendance

A total of 41 (42%) of those who *responded* indicated that they attended graduate school immediately after graduation.

#### Employment

95 (95%) respondents indicated they were either working *and/or* attending graduate school in the first year after graduation.

A total of 67 (68%) graduates indicated they are employed. Their employment status is as follows:

60 (61%) indicated they were employed full time

7 (7%) indicated they were employed part time

28 (29%) indicated they were unemployed, but were attending graduate school.

3 (3%) indicated they were both unemployed and not attending graduate school.

### **Average Salaries**

57 (95%) respondents who were employed full time provided salary information.

All salary information is calculated using the actual salary the respondent provided or the median of the salary range selected by the respondent. Respondents that indicated their salaries fell below \$19,999 or above \$69,999 and did not include a precise amount were excluded from the calculations.

The mean reported salary for the respondents that met the above criteria is \$43,553. This marks a 5% increase in comparison with the average salary earned by Science graduates of the Class of 2005. Salaries ranged from a low of \$17,500 to a high of \$62,500.

### **Fields of Employment**

Students pursue occupations in a variety of career fields. The 67 (100%) respondents that answered this item regarding employment fields are employed as follows: (Respondents were permitted to select multiple fields.)

6 (9%) in Business	8 (12%) in Computers	3 (4%) in Medicine	1 (1%) in Nursing
22 (33%) in Education	3 (4%) in Government	1 (1%) in Health/S.Services	14 (21%) in Science
22 (33%) in Engineering	4 (6%) in Health	2 (3%) in Law	4 (6%) in Other

### **Time Span from Graduation to Employment**

47 (74%) of the 64 (74%) respondents to this item indicated they had secured employment within six months of graduation; this is 16 percentage points lower in comparison with the Class of 2005.

13 (21%) Science graduates secured employment prior to graduation.

47 (74%) respondents secured employment within the first six months after graduation.

60 (95%) respondents secured employment within one year of graduation.

### **Number of Offers**

Of the Science graduates employed who responded to this item, 34 (50%) received more than one job offer. The number of employment offers received ranged from 1 to 15, with respondents receiving a mean of 2.52 offers of employment per graduate.

## Job Satisfaction

Using a likert scale of 5 high to 1 low, Science graduates indicated the level of satisfaction they felt with their jobs. 65 (66%) of the respondents employed indicated an above average or high level of job satisfaction. The average satisfaction score for the respondents to this item was 3.95.

## Usage of Career Services

77 (79%) respondents indicated they had utilized Career Services during their academic careers. Using a likert scale of 5 high to 1 low, graduates who utilized Career Services were asked to rate the service provided. The average rating was 3.84.

56 (57%) respondents reported utilizing TCNJ recruitment programs (i.e., internship programs and resources, job listings/binders, on-campus recruitment and Career Days).

## Job Search Resources

Science graduates utilized a variety of resources to find their employment. Of the 63 (94%) of those employed who responded to this item, the most popular job search resources utilized by respondents continue to be direct contact, MonsterTRAK/Career Services (MonsterTRAK is the vendor TCNJ uses to operate its recruitment systems), and networking.

31 (49%) applied directly to the company.	11 (17%) continued in the same job/internship.
20 (32%) used Career Services and Monster.	11 (17%) used networking.
3 (5%) used an employment agency.	11 (17%) used the internet (other than Monster).
0 (0%) used the newspaper.	3 (5%) used other resources.

## Relationship between Academic Major and Position Obtained

Science graduates indicated the relationship between their academic major and the position they obtained since graduation. Of the 95 (97%) respondents:

- 73 (77%) respondents indicated a direct relationship between their academic major and the position they obtained.
- 14 (15%) respondents indicated an indirect relationship between their academic major and the position they obtained.
- 8 (8%) respondents indicated there was no relationship between their academic major and the position they obtained.

## Internship Participation

54 (60%) of Science majors who responded to the survey indicated participation in internships for an average of 2.08 semesters. This is 5 percentage points lower than the Class of 2005.

## TCNJ's Preparation of Students' for Their Career

Science graduates rated how TCNJ prepared them for their current position utilizing a five-point scale\* (i.e., excellent to poor). Of the 98 (100%) respondents, 77 (79%) rated their preparation as excellent or above average.

38 (39%) excellent	16 (16%) average	3 (3%) poor
39 (40%) above average	2 (2%) below average	

## Quality of Academic Experience

Science graduates assessed the overall quality of their academic experience. Of the 97 (99%) respondents, 81 (83%) assessed their academic experience as excellent or above average.

45 (46%) excellent	12 (12%) average	1 (1%) poor
36 (37%) above average	3 (3%) below average	

# **GRADUATE/PROFESSIONAL SCHOOL**

## **Current Graduate/Professional School Attendance**

Of the survey respondents direct reporting of graduate school attendance, 42 (43%) of survey respondents are currently enrolled in graduate/professional school. Through the combination of the clearinghouse and self reporting, we identified that a total of 63 (38%) attended graduate/professional school after graduation.

## **Areas of Current & Intended Study**

Science graduates who indicated they are attending (42 or 43%) or plan to attend (41 or 42%) further study indicated they will pursue the following fields (number and percent of total respondents to item).

Field of Study	Those who currently attend		Those who plan to attend		Field of Study	Those who currently attend		Those who plan to attend	
	Number	Percent	Number	Percent		Number	Percent	Number	Percent
Arts	0	0%	0	0%	Health Related	2	4%	2	5%
Business	0	0%	5	12%	Medicine	22	48%	8	19%
Communications	0	0%	0	0%	Human/ Social Svcs	0	0%	0	0%
Education	4	8%	19	45%	Law/Law Related	2	4%	0	0%
Engineering	0	0%	1	2%	Nursing	1	2%	1	2%
Computers	1	2%	3	7%	Science	15	33%	8	19%
Government	0	0%	0	0%	Other	1	2%	1	2%

## **Future Plans for Graduate Study**

41 (42%) Science graduates plan to attend graduate/professional school in the future. Through the Clearinghouse, we were able to secure information that an additional twenty-one students or a total of 62 (37% of the entire School of Science Class of 2006). 41 (100%) of graduates indicated the timing of their future attendance in graduate school:

34 (83%) respondents plan to attend within the first 3 years after graduation.

6 (15%) respondents plan to attend within 5 years after graduation.

1 (2%) respondents plan to attend in more than 5 years after graduation.

## **Current Degrees and Highest Degree Level Sought**

39 (95%) of those currently attending responded to the degree level they are pursuing. In addition, 60 (61%) graduates provided information on the highest degree level they intended to pursue. Of those intending to pursue advanced degrees:

Degree Level	Currently Pursuing		Highest Degree Planned	
Masters	13	33%	37	44%
Specialist	6	3%	0	0%
Doctorate	28	16%	23	27%
Professional	19	49%	25	29%

*\* Percentage reflects percent of those who responded to this item.*
