

## **Alcohol Policy**

Alcoholic beverages may be served at The College of New Jersey within specified guidelines. Alcoholic beverages may not be served at any event where any person under 21 or where any TCNJ students will be in attendance. An approved Alcohol Permit is required for any event where any alcoholic beverages are present. In many cases, a State Alcohol License is required and can take up to 4 weeks to process. Copies of the Alcohol Policy are available from the Conference and Meeting Services Office and the Vice President of Student Life Office. Applications for Alcohol Permits must be arranged with your Conference Coordinator.
