

Meeting Minutes
Autonomous Vehicle Senior Project
(Meeting #2 Minutes: Monday, Sept 8, 2008)
(3:30 pm in AR 148)

In attendance: Dr. Hernandez, Rick Moser, Graham Apgar

Points of Interest

Last Years Report

- Graham and Rick now have a copy of last years senior project write up.

Improvement Plan & GANT chart

- Dr. Hernandez wants an improvement plan and GANT chart drafted by the next meeting on Monday, Sept. 15 2008. The next step of the senior project process will focus on devising a plan and timeline drafted that Graham and Rick can start executing. **(Rick and Graham)**

Access to the Vehicle

- Dr. Hernandez has shown Rick and Graham the room where the vehicle is stored as well as how to access the key to open the room. The room is Armstrong Hall 148C, and the key is #16 located in a lockbox inside the supply room.
