

Meeting Minutes
Autonomous Vehicle Senior Project
(Meeting Minutes: Sept 15, 2008)
(3:30 pm in AR 159)

In attendance: Dr. Hernandez, Rick Moser, Graham Apgar

Points of Interest

Gantt Chart and Improvement Plan

- Graham and Rick need more time to come up with an accurate Gantt chart and improvements plan
- The new Gantt chart and improvement plan are to be finished no later than Sept 29 2008

Contacting Last Year's Team

- Jerry Wallace sent an email with a list of improvements, as well as some help with finding some necessary parts in the NJAV room to get the vehicle running
- Brian Fay also sent an email with some mechanical concerns.
- Rick and Graham are responsible for checking the vehicle for mechanical and electrical/computer improvements and repairs over the next week. Testing is scheduled to be done on the vehicle and a list of improvements will be complete within two weeks.

IEEE Proposal

- Rick and Graham are responsible for a proposal to receive funds from IEEE for the project.

Meeting adjourned 3:40 pm
