

iPass Remote Dialup Account Request

- An iPass dialup account is provided on a temporary basis, for use by College Faculty or Staff traveling on official College business, for the purpose of accessing Internet services in the completion of College-related business.
- The user named below is responsible for handling any telephone charges incurred during the use of the iPass system (hotel charges, local or long-distance connection charges).
- **Users must pick up their login and password from the Office of Telecommunications IN PERSON (or via a designated representative).**
- The iPass system requires the installation of a client on your College-provided laptop.
- The use of a TCNJ iPass account is subject to the Information Technology Computing Access Agreement.
- For assistance with the iPass system, please call the TCNJ Help Desk at 609-771-2660 during normal business hours.
