

Federal Government Contracting

Accounting & Compliance

This program is ideal for companies who have government contracts and need to establish their accounting system or seek tips to improve their current system. You will learn the rules and regulations required to successfully comply with the federal government's standards. Owners, General Managers, and Controllers can benefit from the information presented.

Enjoy an interactive session with an expert in this arena. The session will provide an overview of:

- Government Compliant Accounting System Elements
- Basic Cost Pool Structure
- Compliance Requirements
- Consequences of Non-Compliance

Presenter:

Anthony J. Faugno CPA, Partner at Amper, Politziner & Mattia, has over 25 years of public accounting and consulting experience. Tony leads the firm's Federal Government Contracting Group which provides specialized expertise to companies doing business with the federal government.
