

# HUBZone Empowerment Contracting Program

The HUBZone Empowerment Contracting Program provides federal contracting opportunities for qualified small businesses located in specifically designated Historically Underutilized Business Zones (HUBZone) distressed areas. Fostering the growth of these federal contractors as viable businesses, for the long term, helps to empower communities, create jobs and attract private investment.

You will learn what the HUBZone Program is, how to qualify for this program, the benefits for your small business and how it can further develop your firm.

Eligible business owners must be U.S. citizens.
