- By completing and signing this application, you are consenting to a credit check by Direct Loans (U.S. Department of Education). Please keep in mind that your Social Security number is required to conduct the credit check.
- In the case of a negative credit decision, the U.S. Department of Education will send you written notification in the mail of the name of the Credit Bureau reporting and reasons for the denial.
- A first-time Direct Parent PLUS loan borrower must complete a Master Promissory Note (MPN) at <http://dlnote.ed.gov>, using the PIN assigned to the borrower (same PIN as the one used to sign the FAFSA).
- The FAFSA and Parent PLUS Application must be completed each year.
- **PLUS Interest and Fees:** The interest rate is a fixed 7.9% and is charged on the loan from the time the loan funds are disbursed until it is paid in full. In addition to interest the Federal PLUS Loan has a 4.0% origination fee. However, Federal Direct PLUS Loan borrowers will receive an upfront 1.5% rebate at the time of origination based on paying your first 12 monthly payments on time. Thus the assessed fee to the borrower is only 2.5%. This fee reduces the amount that disburses to the student's account. Please keep this in mind when figuring your loan request amount.
