School of Art, Media, and Music

Acting Dean: Marcia Taylor; Assistant Dean for Student Services: Christine Leichliter

The School of Art, Media, and Music is composed of two long-standing departments, Art and Music, with planning underway for an area of specialized study in media. The Department of Art offers the Bachelor of Fine Arts degree in Fine Arts and Graphic Design and the Bachelor of Arts degree in Art Education. Students can minor in art history and explore concentrations in art therapy, digital arts, illustration, and photography. The Department of Music, which celebrated its 85th anniversary as a center for the study of music, offers the Bachelor of Music degree in music performance and in music teaching. Students develop their skills and knowledge in the fine and performing arts within the rich context of the liberal arts. Graduates are prepared for professional-level employment or to pursue graduate studies.

Art

Faculty: Fichner-Rathus, Chair; Allyn, Brancaccio, Brooks, Chak, Kaplowitz, Kunnick, Mackie, McVicker, Miller, Miranda, Nyman, Oppenheimer, Riccardi, Rigby, Sanders, Taylor

The Department of Art offers the Bachelor of Fine Arts (BFA) degree with a major in fine arts or graphic design, and the Bachelor of Arts (BA) degree with a major in art education. In addition, students may minor in art history and fine arts and concentrate in the areas of art therapy, digital arts, and specific media (illustration and photography). Courses in art foundation studies and the liberal arts are integral parts of the curriculum. The art department is committed to providing programs of study which develop a high level of conceptual and technical ability, resources beyond the studio for a broader education in the arts, exposure to and understanding of electronic media and methods of communication, and a balance between a demanding course of professional study and a liberal arts education. The art facility features traditional studios as well as state-of-the-art computing and electronic media labs. The faculty of the art department consists of scholars, exhibiting artists, and active professionals; it is augmented by guest lecturers and adjunct professors who are practicing professionals in the New York-Philadelphia corridor. The department enjoys an enviable placement record in terms of graduate study and employment, and graduates of the program have attained positions of leadership in their respective fields. The College of New Jersey is located near the major art and design centers of New York and Philadelphia and students are encouraged and often required to visit museums, galleries, design studios, production houses, and other art facilities in these areas.

Admission Requirements

Acceptance to the Department of Art requires a successful portfolio review as well as admission by The College. After the department has received a copy of the student’s application from the Office of Admissions, it will assign a portfolio review date. January admission candidates and early-decision candidates are reviewed in November. Regular September admission candidates are reviewed from December through March.

The portfolio should consist of approximately 15 original works, demonstrating the applicant’s drawing and technical skills, creativity, and aesthetic ability. A substantial part of the portfolio should feature drawings (still life, figure, self-portrait, and assorted sketches). In addition, the applicant may present work in other media (painting, printmaking, sculpture, mixed-media, computer graphics, and video). A limited number of pieces that may be too bulky to be conveniently carried may be included in the portfolio as photographs or slides. Computer disks should not be included; however, slides, prints, or videos of computer work are acceptable. Professional presentation of the work is important: Finished drawings, prints and other two-dimensional work should be matted or mounted appropriately, although sketches and studies can be loose and paintings need not be framed. All work must be original. Copies of other artists’ work should not be included in the portfolio.

Enrollment in Department of Art Courses

Except for art courses which have specific non-art major sections and art history courses, all art courses are restricted to art majors and minors. A non-major student who wishes to enroll in major courses must obtain permission from the chair of the department.

Art minors must report to the department chair for advisement and registration of art courses.

Art Major General Requirements

All art majors are required to take ART 105, 106, 111, 114, 116, 145, 180, 201, 202, 211, 230, 250, and 280.

While the department supplies many materials, students are required to purchase materials in most studio courses. Art history and studio courses may require field trips at students’ expense.

Students who receive a D or lower grade in a major required course are required to repeat the course.

Program Entrance, Retention, and Exit Standards

Every major program at The College has set standards for allowing students to remain in that program, to transfer within The College from one program to another, and to graduate from a program. The following are the standards for art programs. Minimum grades are noted in parentheses:

- Retention in the program is based on the following performance standards in these "critical content courses": ART 111 (B), ART 114 (B), and ART 116 (B).

- Transfer into the program from another program within The College is based upon the following performance standards in these "foundation courses": ART 111 (Drawing for non-Art majors) (B).

- Graduation requires a GPA of 2.0 in courses for the program and earning a minimum grade of C– in the following courses: all Art major courses.
Attendance Requirements
Participation and attendance are considered essential to the learning process. More than two unexcused absences will be considered detrimental to the student’s final grade.

Transfer Students
Transfer students are required to earn a minimum of 30 credits in Department of Art courses. The 30-credit minimum cannot include credit by examination, student teaching, or internships. Portfolio admission requirements are explained under the admission requirements section noted on this page. Transfer students should include a copy of their transcript(s) with their portfolio.

The College Art Gallery
Masterson, Director
The Department of Art offers a program of diversified exhibitions throughout the academic year which include national juried drawing and printmaking exhibitions. Additionally, there is an annual student exhibition with numerous awards. Students are encouraged to participate in the gallery program as gallery assistants.

Art Students’ Organizations
The Department of Art sponsors the student organization—the Art Students Association (ASA). Students are invited to join and become active members.

Fine Arts Major (ARTA)—BFA Degree Concentration Options: Art Studio Areas, Art Therapy, Digital Arts; Minor Option: Art History
The fine arts major culminates in the Bachelor of Fine Arts degree. The fine arts curriculum consists of an intensive foundation program in drawing, 2D and 3D design, color theory, digital arts, a variety of studio disciplines, and a core of art history courses. This is followed by a flexible program of study in which the fine art student may follow a specific curriculum in digital arts, photography, or illustration, or may design their own studio experience through faculty advisement and critique. The curriculum culminates in two senior capstone courses which result in a senior exhibit of senior thesis work. Fine art students may also minor in art history.

The program takes advantage of The College’s proximity to major museums, galleries, and collections in New York, Philadelphia, and Washington to broaden students’ exposure to current trends and traditional concepts and techniques. Students begin to focus on the professional aspects of their careers early on and are encouraged to exhibit work throughout The College campus as well as in the annual student exhibit and other venues.

Advanced studio courses may be repeated for credit to gain the desired depth in the studio areas. Independent study is available to upper-level art majors with three courses in a studio or lecture area in which they have earned a minimum 3.33 GPA taken at The College of New Jersey. Personal advisement and portfolio preparation counseling are available to those students who wish to prepare for graduate school.

Art Education Major (ARTT)—BA Degree
Concentration Option: Art Therapy
Taylor, Coordinator

The conceptual framework for Art Education, as for all programs in professional education at The College of New Jersey, is creating exemplary professionals. Themes and outcomes associated with that framework are described in the School of Education section of the bulletin.

The art education major offers a Bachelor of Arts degree and qualifies an individual for New Jersey State Art Teacher Certification, kindergarten through twelfth grade. The required curriculum includes a full range of art studio, art history, and art therapy courses. Students are given opportunities to experience actual classroom environments and situations through field observations and teaching practicums in both the junior and senior years.

This program is designed to prepare the student both as artist and teacher. Students must meet a number of requirements prior to the end of the sophomore year (60 credits) before being formally admitted to the program. These include:

1. A minimum grade point average of 2.50 overall.
2. Passing scores on the New Jersey Basic Skills Tests or passing a number of specified courses.
3. Successful completion of a sophomore field experience course.
4. Successful completion of six credits in the social/behavioral sciences.
Required studio courses include computer graphics, drawing, design, painting, printmaking, sculpture, photography, and the crafts. These courses and the required Art Techniques for Art Education/Elementary and Secondary, and Principles and Practices in Art Education lead to student teaching. A full semester of student teaching offers experiences at both the elementary and secondary levels. Candidates for a teacher-education certificate must have a 2.75 cumulative grade point average, meet the state hygiene/physiology requirement, and pass the appropriate Praxis examination before the New Jersey State Department of Education will issue the appropriate certificate. Teacher-education candidates will receive a “certificate of eligibility with advanced standing” which requires a candidate to be provisionally certified for his or her first year of teaching. After one year of successful teaching, the candidate is eligible for a permanent certificate. The teacher candidate will also have to pay a fee during his or her first year of teaching.

Students who wish to concentrate in art therapy within this program may take art therapy courses as an art option. Art therapy certification may be obtained through completion of a graduate program in art therapy.

**Graphic Design Major (ARTC)—BFA Degree Concentration Options: Digital Arts, Illustration, Photography**

Mackie, Coordinator

The graphic design major offers a Bachelor of Fine Arts in Graphic Design. The program of study encourages students to develop their talents and personal vision and to create unique and substantive work. The curriculum emphasizes both the conceptual and technical in order to prepare students for further education in graduate graphic design programs and professional careers in graphic design. The studio environment encompasses both traditional and current electronic techniques, concepts, and methods. The strong emphasis on the conceptual creative process and on dynamic problem solving furthers the students’ graphic design potential. Graduates from the graphic design program are sought after by leading design agencies and corporate art departments in New York, Philadelphia, and New Jersey. Students in graphic design have the option to pursue a general graphic design curriculum or select one of the following areas of concentration.

**Digital Arts**

Sanders, Coordinator

The digital arts program prepares students for a variety of career options or graduate programs in digital arts through an intensive and concentrated course of study. It encompasses a wide range of electronic media and exposes the students to current conceptual and technical trends. Students have access to the very latest in electronic equipment and software. Students produce a senior research thesis (visual and written) in a chosen area of concentration, such as animation, interactive design, or web design.

**Illustration**

McVicker, Coordinator

Students with a special aptitude for illustration have the opportunity for personal expression and growth, and to gain the technical skills they need to make an impact in the marketplace. Students study with professionally active illustrators and are made aware of new developments and job opportunities in the field.
Photography
Allyn, Coordinator

Students further their artistic development within the visual language of photography. Students work to master a variety of photographic equipment, printing techniques, and styles. An understanding of the commercial and creative applications of photography is central to the program.

ART 101/Foundations of Art 3 cr.
(80-minute lecture, 110-minute studio for non-art majors every semester)
Perspectives on the World: Fine and Performing Arts
Through a combination of illustrated lectures alternating with studio work, students are introduced to the visual language of art. Line, shape, color, movement, texture, and space are investigated as basic elements of this visual language. The work of well-known artists is analyzed to show how paintings, sculpture, architecture, prints, and crafts are created as visual statements with unique expressive and social meanings. In the studio section of the course, students are guided in the employment of the visual language to create their own expressions of mood and meaning.

ART 105/Art History I: Caves to Cathedrals 3 cr.
Prerequisite: None
A survey of Western art from the Stone Age to the Gothic era, with emphasis on the art and architecture of ancient Greece and Rome and Medieval painting, sculpture, and architecture from the fourth to the 14th century. Works of art are studied from historical, theoretical, and contextual perspectives. Field trip(s) required.

ART 106/Art History II: Renaissance to Revolution 3 cr.
Prerequisite: None
A survey of Western art from the 14th to the 19th century. Historic and stylistic periods include the Renaissance, the Baroque and Rococo eras, Neo-Classicism and Romanticism. Works of art are studied from historical, theoretical, and contextual perspectives. Field trip(s) required.

ART 111/Drawing I 2 cr.
A studio introduction to drawing for art majors. Different media, techniques, styles, and modes of expression will be creatively explored. Emphasis is on the development of drawing as a foundation tool in art.

ART 114/Color Theory and Practice 2 cr.
(1 studio class per week)
(every semester)
Studio investigation of the properties of color (hue, value, and intensity), the history of color, color theories, and pertinent color phenomena such as relativity, dynamics, and transparency. Color symbolism and harmony systems are studied.

**ART 116/2D Design** 2 cr.  
(1 studio class per week)  
(every semester)  
An introduction to two-dimensional visual organization. Emphasis on the visual elements, compositional operations, and the psychology of perception. Creative problem-solving methods will be explored.

**ART 118/3D Design** 2 cr.  
A studio experience in which elements and principles of design are to be investigated in terms of three-dimensional and spatial relationships. Also to be investigated will be a variety of design sources which will include nature, technologies, materials, art, and architecture.

**ART 130/Sculpture I (was ART 230)** 2 cr.  
(1 studio class per week)  
(every semester)  
Prerequisite: ART 118 (for ARTA majors)  
Fundamental concepts of sculpture. Investigations to discover relationships between volume, texture, and space. Personal explorations and efforts to join form, content, and process within a unified sculptural expression.

**ART 145/Introduction to Non-Western Art** 3 cr.  
(3 class hours)  
(every semester)  
An introduction to the art of non-Western civilizations through a comparison of the expressive and applied arts as reflections of cultural traditions. Slide lectures will be supplemented with discussions, library research, and museum field trips. Field trips may be required at student expense.

**ART 160/Introduction to Graphic Design** 2 cr.  
(1 studio class per week)  
(every semester)  
Prerequisites: ART 111, 114, 116  
Introduction to the conceptual and technical skills utilized by the graphic designer. A contemporary and historical overview of the field.

**ART 180/Digital Arts I** 2 cr.  
(1 studio class per week)  
(every semester)  
Prerequisites: ART 111, 114, 116 (recommended: IDSC 105)  
A first course designed for art majors which provides studio experience in digital art with an emphasis on 2D imaging. This combined studio/lecture course is an introduction to the creative possibilities of graphics computing and to the historical, conceptual, technical, and contemporary background of computers and digital arts. Extra lab hours are required to complete assignments.

**ART 200/Art Education Sophomore Professional Experience** 2 cr.  
An introductory course for art education students, integrating clinical field experiences and analysis of grades K–12 in the contemporary school. Emphasis will be placed on the role of the art teacher and the preparation of lesson units for the various grade levels. Field observations in schools and other educational environments will be required. The students will be evaluated on curriculum development, tests, and papers presented.

**ART 201/Figure Drawing** 2 cr.  
(1 studio class per week)  
(every semester)  
Prerequisite: ART 111  
A drawing course focusing on the human figure as subject. Drawing from models using analytical and expressive approaches with a variety of techniques. May be repeated.

**ART 202/Printmaking** 2 cr.  
(1 studio class per week)  
(every semester)  
Prerequisites: ART 111, 114, 116  
Printmaking through print production, making of etchings, aquatints, engravings, drypoint etchings, and collage prints. Emphasis on exploring experimental contemporary developments of these techniques.

**ART 211/Painting** 2 cr.  
(1 studio class per week)  
(every semester)  
Prerequisites: ART 111, 114, 116  
An introduction to the concepts and techniques of painting through the exploration of major styles. Emphasis on establishing a foundation for the development of a personal visual language.

**ART 220/Jewelry Design** 2 cr.  
(1 studio class per week)  
(every semester)  
Prerequisite: ART 111  
Utilization of metals (either alone or in combination with supplemental materials, e.g., plastics, glass, stone) and tools, machinery, and techniques necessary to the expression of an idea. Technical concentration upon fabrication techniques, piercing, smithing, forging, etching, surface treatment, and stone setting.

**ART 221/Fiber Art** 2 cr.  
(1 studio class per week)  
(annually)  
An introduction to creative problem solving using the media of fiber and fabric and the various techniques of those media (stitching, stuffing, knotting, dyeing, weaving). May be repeated.

**ART 226/Ceramics** 2 cr.  
(1 studio class per week)  
(every semester)  
Survey of the evolution of pottery, enabling students to select and appreciate form, color, and decoration. Practical exploration of properties and possibilities of clay and glazes for use in personal statements.

**ART 230/Sculpture II (was ART 330)** 3 cr.  
(1 studio class per week)  
(occasionally)  
Prerequisite: ART 130 or permission of instructor  
Continued investigation of the relationships of form, media, and personal expression. Advanced technologies in working with metal, wood, stone, and acrylics will be explored. May be repeated.
ART 250/Modern Art 3 cr. (was ART 348/20th-Century Art) (3 class hours) (every semester) A critical survey of modern art from the French Revolution through World War II, including Neo-Classicism and Romanticism, Impressionism and Post-Impressionism, Fauvism, Cubism and other significant trends in style in Europe and the United States prior to 1950.

ART 261/Typography I 3 cr. (1 studio class per week) (every semester) Prerequisites: ART 111, 114, 116, 160 A study of letter forms and type design. The development of skill in rendering letter forms and understanding letter-word-line relationships. An introduction to styles of type and typography-based design.

ART 262/Introduction to Illustration 3 cr. (1 studio class per week) (every semester) Prerequisites: ART 111, 114, 116, 160 A studio course in the basic techniques of spot illustration covering communication, composition, and design in black and white media. Various media and technical procedures will be explored. Subject matter emphasizes the figure and product illustration and an introduction to the fashion figure.

ART 264/Graphic Design II 3 cr. (1 studio class per week) (every semester) Prerequisites: ART 160, 261 Introduction to conceptual thinking and problem solving in graphic design.

ART 280/Photography I 2 cr. (1 studio class per week) (every semester) A basic photography course. Explores black and white processing and printing. Students must provide their own 35mm cameras.

ART 281/Documentary Photography 3 cr. (1 studio class per week) (every semester) This course explores the traditional and experimental documentary form. Students will work with digital still cameras and develop a series of work (print and video) based on several assignments and then a self-determined research project. The course is taught by demonstration, lecture, slides and individual and group critiques. A final web portfolio is required. May be repeated.

ART 285/Digital Arts II 3 cr. (1 studio class per week) (every semester) Prerequisite: ART 180 (recommended: IDSC 105) This course builds on the foundation begun in ART 180. It develops the art major’s basic graphics computing skills with emphasis on 2D imaging, page-layout, and an introduction to web design. Emphasis is placed on the visual problem-solving process through the use of applications and equipment. Extra lab hours are required to complete assignments.

ART 286/Computer Animation I 3 cr. (1 studio class per week) (annually—fall) Prerequisite: ART 180 The course surveys traditional and computer animation history, techniques, and terminology. The student will learn basic concepts and skills of time-based electronic imaging, animation, and principles of motion and continuity. The student will produce three-dimensional animation. Extra lab hours are required to complete assignments.

ART 288/Introduction to Computer Graphics 3 cr. Programming in Art and Design (3 class hours) (annually) Prerequisite: ART 180 (recommended: IDSC 105) An introductory course in computer graphics programming designed for the art major specializing in computer graphics. The student will be guided through graphics programming which will produce graphics and animation for output to various distribution media such as the World Wide Web (www). The course presents the basic concepts and structure of programming with an emphasis on the creativity of the output of the student’s programs.

ART 490/Student Teaching in Art 12 cr.
(full time—1 semester)
(every semester)
Prerequisites: Meeting of all criteria for admission to student teaching including at least a B in ART 395 and a minimum grade point average of 2.75 overall
Semester of full-time student-teaching participation at elementary and secondary grade levels during senior year. Observation, participation, and responsible teaching under direct supervision of college supervisors.

ART 496/Senior Seminar—Advanced Topics in Fine Arts 3 cr.
(3 class hours per week)
(annually—fall)
Prerequisites: Open only to students with senior standing in the fine arts major or by permission of the fine arts coordinator
The course is designed to develop the students’ understanding of theoretical material and issues in contemporary fine arts.
The course will be composed of readings, seminar discussion, field investigations, and class and faculty critique. Field investigations will include gallery visits, meetings with curators, and visits to artists’ studios. This exposure will enhance the students’ knowledge and understanding of issues related to the art profession. Students will be required to research a relevant topic in contemporary art and present this material to the class and instructor. Student research will be guided by individual, class, and faculty critiques in the initial development of their Senior Thesis Project. This will culminate in a Senior Thesis Exhibit in ART 498, the sequel to this course.

ART 497/Internship 1–6 cr.
(every semester)
Prerequisites: Enrollment is limited to upper division program majors or minors with at least a 3.0 GPA in that program. See Internship Application Form for individual program requirements and details. Preregistration with Internship Application Form and signed approval of the program coordinator, the department chair, and an art faculty sponsor
The primary purpose of the college-level internship experience is the development of occupational or professional competence in the actual occupation setting after the students’ education has been completed. Other purposes (income, career exploration, learning-by-doing, on-the-job training, etc.) cannot be the primary purpose, though they may occur as a secondary result of the internship experience.

ART 498/Thesis Project—Fine Arts 3 cr.
(1 studio class per week)
(annually—spring)
Prerequisite: ART 345 as specified in advisement
Intensive research and study within a studio concentration which culminates in the public presentation of the senior exhibit. The student will be required to prepare and present this body of work, their visual thesis, for critical review to an Art Faculty Committee prior to its public presentation in the Senior Fine Arts Exhibition. Additionally, the student will be required to present a written component to the visual thesis which describes in full the processes and the outcomes of the senior research.
ART 499/Independent Study  1–6 cr.
(Not be taken as a substitute for any other course)
(every semester)
Prerequisites: Enrollment as an upper division art major; student must have taken a minimum of three courses in the major area. These courses must be completed with a 3.33 average in the area of study. Preregistration with signed approval of an art faculty sponsor and of department chair. For advanced work only
Individual, self-guided course of work and study for the advanced student under the supervision of a faculty adviser and/or committee. Opportunity to develop personal interests and strength within the major field. May be repeated.

Mission Statement
The Department of Music is dedicated to the advancement of the knowledge of music in its many forms. It does this through a three-part mission. First, it dedicates its energies and resources to excellence and leadership in the development of a select group of exceptionally talented undergraduate students majoring in music, under the tutelage of an outstanding faculty dedicated to excellence. Second, for those students majoring in other areas, the department, through active, committed involvement to The College’s General Education program, increases awareness of music’s impact on society, past and present. Finally, the department provides unparalleled opportunities for students, faculty, staff, and the external community to be active participants in the making and/or attendance of musical performances of all types.

Background of the Department
The Department of Music has been a center for the study of music since 1916. Its graduates not only enjoy an excellent placement record, but also consistently attain leadership positions in the many and varied fields of musical endeavor.

The College of New Jersey is an accredited institutional member of the National Association of Schools of Music. The department offers various programs of musical study which are consistent with the high standards, ideals, and philosophy of this world-renowned organization.

The music department, with its large faculty of artist teachers, offers all types of musical ensemble experience, excellent equipment and library holdings. In addition, its varied curricula provide a wide selection of courses designed as professional preparation for work in a broad variety of music careers.

In September 1993, The College opened a new state-of-the-art music building that serves as the primary facility for concerts and recitals. This building contains a 300+ seat concert hall critically acclaimed for its aesthetic and acoustical properties, instrumental and choral rehearsal halls, computer synthesizer and keyboard laboratories, numerous classrooms, small ensemble suites, and practice rooms.

The excellent reputation of the music department is centered in the opportunity for music students to study with artist teachers who are available for consultation on a regular basis. This interest in the student and in The College, which is demonstrated by faculty, provides a distinct advantage for the students as well as the help and inspiration which can come from this continued association.

Music does not exist in a vacuum, nor does the musician. In order to ensure a well-rounded preparation and to enrich the comprehensive awareness of the musician, provisions are built into the programs for the music major to devote significant study to the liberal arts.

Music Major: Performance (MUSA)
Because of the number of concentration specializations that can be pursued in this major, only the freshman year is outlined below. ### Music Major: Teacher Preparation (MUST)
Candidates for a teacher-education certificate must have a 2.75 cumulative grade point average, meet the state hygiene/physiology requirement, and pass the appropriate Praxis examination before the New Jersey State Department of Education will issue the appropriate certificate. Teacher-education candidates will receive a "certificate of eligibility with advanced standing" which requires a candidate to be provisionally certified for his or her first year of teaching. After one year of successful teaching, the candidate is eligible for a permanent certificate. The teacher candidate will also have to pay a fee during his or her first year of teaching.

Because of the number of concentration specializations that can be pursued in this major, only the first year of a student’s program of study is set out below. Students should consult with their departmental advisers as well as the department’s Undergraduate Music Student Handbook in planning the remainder of their academic program. These plans should take into account requirements for the major, general education, professional courses, and state certification.

**Additional requirements:**

1. At least six credits must be 300- or 400-level courses.
2. No more than three credits may be taken as an independent study.
3. Upon successful testing, students may transfer up to six credits from other institutions.
4. Courses taken must be in consultation with a music department adviser.

**Requirements for All Music Majors:**

Because the music faculty believes that two of the most vital aspects in the growth of any musician are the listening to and performing of music, various minimum requirements have been established to ensure that all music majors are exposed to these opportunities for growth. A partial outline of requirements follows; brochures containing detailed information are available to all students.

1. All students must audition on campus for entrance into the music program and when requesting a change in major applied area.
2. All music education and performance students must present a senior recital in their major performance area. Students register for applied recital during the semester of their recital performance.
3. All music majors must pass a keyboard proficiency test as a requirement for graduation. Music education students, including transfer students, will not be allowed to apply for MUSC 490/Student Teaching and Senior Seminar until the keyboard proficiency is passed.
4. All music majors must attend a percentage of all recitals and designated music programs.
5. Upon the recommendation of the major applied instructor, the student will perform in the student recital series each year.
6. All performance and music education students must enroll in a large ensemble each semester in which they are registered as full-time students. This requirement is waived only during the semester in which a music education student is student teaching.

**Program Entrance, Retention, and Exit Standards**

Every major program at The College has set standards for allowing students to remain in that program, to transfer within The College from one program to another, and to graduate from a program. The following are the standards for music programs. Minimum grades are noted in parentheses:

- Retention in the program is based on the following performance standards in these “critical content courses”: MUSC 300–324 or 400–424/Private Applied Lessons (C–); MUSC 261/Harmony I (C–); MUSC 271/Aural Skills I (C–)
- Transfer into the program from another program within The College is based upon the following performance standards in these “foundation courses”: MUSC 300–324 or 400–424/Private Applied Lessons (C–); MUSC 261/Harmony I (C–); MUSC 271/Aural Skills I (C–)
Graduation requires a GPA of 2.0 in courses for the program and earning a minimum grade of C– in the following courses: All courses counted toward the major.

Music Courses Restrictions
Except for those music courses which have specific non-music major sections and performance ensembles, all music courses are restricted to music majors and minors only. A non-music student who enrolls in major courses will be required to drop those courses unless he or she has written permission from the chair of the department.

Large Ensembles
MUSC 130/College Choir .5 cr.
(3 class hours)
(every semester)
Open to all students through successful audition by the director. The ensemble rehearses and performs a variety of accompanied and unaccompanied, sacred and secular choral literature.

Lessons
MUSC 100/Beginning Class Voice 1 cr.
(annually—fall)
This course is designed to acquaint the student with the basic elements of the vocal instrument: body alignment, respiration, phonation, and articulation. Knowledge is gained through reading, class participation, and class instruction. Demonstration of the correct use of these principles is shown through the presentation of memorized songs before the class. Emphasis on using the above-mentioned skills in the K–12 music classroom is also made.

MUSC 105/Beginning Class Flute 1 cr.
(every semester)
Students are introduced to the basic concepts of playing and teaching the flute. Organized in a group setting, students will understand breath control, embouchure formations, correct fingerings, basic teaching techniques, and have the ability to perform either individually or in small groups.

MUSC 107/Beginning Class Clarinet 1 cr.
(every semester)
This course is designed to provide the student with a good working knowledge of the basic fundamentals of playing and teaching the clarinet. Students will be able to demonstrate the ability to produce a clear tone with good control, master the basic set of fingerings, and have a fundamental knowledge of the basic teaching techniques for beginning students.

MUSC 111/Keyboard Skills I 1 cr.
(annually—fall)
Basic technical skills, repertoire development, and keyboard harmony techniques are introduced in a group lesson setting. These courses are designed for music students not having piano as their major instrument. Emphasis is on practical application.

MUSC 112/Keyboard Skills II 1 cr.
(annually—spring)
Prerequisite: MUSC 111
Continuation of the work covered in MUSC 111/Keyboard Skills I.

MUSC 113/Keyboard Skills III 1 cr.
(annually—fall)
Prerequisite: MUSC 112
Continuation of the work covered in MUSC 112/Keyboard Skills II.
MUSC 114/Keyboard Skills IV 1 cr.
(annually—spring)
Prerequisite: MUSC 113
Continuation of the work covered in MUSC 113/Keyboard Skills III.

MUSC 115/Keyboard Skills V 1 cr.
(annually—fall)
Prerequisite: MUSC 114
Continuation of the work covered in MUSC 114/Keyboard Skills IV, with particular emphasis on keyboard skills needed by vocal majors.

MUSC 116/Keyboard Skills VI 1 cr.
(annually—spring)
Prerequisite: MUSC 115
Continuation of the work covered in MUSC 115/Keyboard Skills V, with particular emphasis on keyboard skills needed by vocal majors.

MUSC 123/Beginning Class Percussion 1 cr.
(every semester)
The fundamentals of percussion playing, rudiments, and teaching techniques for beginners are covered in this course designed for non-percussionists.

MUSC 126/Class Brass 1 cr.
(every semester)
A group lesson course for the non-brass major investigating technical, performance, repertoire, and teaching fundamentals for brass instruments. Topics covered include embouchure development, articulation, flexibility, tone production, ensemble awareness, endurance, and teaching strategies.

MUSC 128/Class Strings 1 cr.
(every semester)
A group setting course for non-string majors focusing on the technical and teaching techniques needed in the teaching field. Particular focus is on technical foundations, repertoire, and beginning level skills, focusing on the violin.

MUSC 200–224/Intermediate Private Lessons 1 cr.
(every semester)
A half-hour per week private lesson devoted to building technique, repertoire, and performance skill. Please see the Department of Music to register for private lessons.

MUSC 226/Intermediate Class Voice 1 cr.
(annually—spring)
Prerequisite: MUSC 100
This course builds on the skills that are acquired in Beginning Class Voice. Greater skill in each of the basic elements of body alignment, respiration, phonation, and articulation are required as well as more difficult repertoire being presented. Use of all skills in the K–12 music classroom is further emphasized.

MUSC 227/Class Strings II 1 cr.
(every semester)
Prerequisite: MUSC 128
A course devoted to developing those skills attained in MUSC 128/Class Strings using the viola, cello, and bass.

MUSC 228/Intermediate Class Guitar 1 cr.
(every semester)
In a positive non-competitive environment, students will learn to confidently read and play music on the guitar. Attention will be given to such fundamental skills as harmonization of song tunes, basic guitar maintenance, and choosing an instrument. Those working toward a career in music education will find the course essential for work with elementary student groups and as a model for a course they may teach to others in the future.

MUSC 300–324/Advanced Private Lessons 2 cr.
(every semester)
A one-hour per week private lesson devoted to building technique, repertoire, and performance skill for the music education major. Please see the Department of Music to register for private lessons.

MUSC 400–424/Advanced Private Lessons 3 cr.
(every semester)
A one-hour per week private lesson devoted to building technique, repertoire, and performance skill for the music performance major. Please see the Department of Music to register for private lessons.

Courses

MUSC 121, 124/Diction I 1 or 2 cr.
(Latin, Italian, English)
(1 class hour, 1 lab hour)
(annually—fall)
This course is designed to give the student a basic knowledge of lyric diction of the English, Latin, and Italian languages by learning the symbols and sounds of the International Phonetic Alphabet (IPA) and the rules that govern their use in those languages. Students will be expected to demonstrate their competency of the above-stated knowledge by transliterating, reading, and singing the texts of the standard art song literature of the three languages in class and on examinations.

MUSC 122, 125/Diction II 1 or 2 cr.
(French and German)
(1 class hour, 1 lab hour)
(annually—spring)
Prerequisite: MUSC 121 or 124
