PARENT PERMISSION: Parents will be notified in the event of serious illness or injury at camp. First aid will be provided at Health Services for less serious problems. Anyone requiring immediate attention will be taken to a local emergency department. The law requires that parental permission be obtained for medical procedures on minors. Such permissions are needed in advance to avoid delays in securing medical treatment, especially in emergency circumstances. The permission statement below must be signed in order to participate.

- I give permission for such medical or nursing care, as may be deemed necessary for my child by the Health Services staff or whoever the college staff may designate. I authorize transportation of my child to an emergency medical facility for evaluation and/or treatment.

- In case of illness, other emergency or for disciplinary reasons, I agree to remove my child from TCNJ immediately upon notification by College or health services officials.

Family Doctor: ____________________________  Insurance Co: ____________________________  Last Tetanus/Diphtheria booster: ____________________  If your child is allergic to any medication and/or food, takes any medication, has had physical activity restricted, has any chronic health problems, or is under a physician's care for any reason, has been treated for any psychological or emotional illness, please describe on a separate sheet of paper and include in this registration. An emergency number where a parent/guardian can be reached:
